Why choose CityDJs?

Guaranteed arrival

Presentable appearance

Wedding music planning (discussions with the happy couple prior to the wedding)

We take requests on the night that suit the wedding atmosphere

We are not a 'cheap' wedding DJ service, but we are professional and affordable

Experienced and the very best music production

Top quality sound/lighting

Industry quality decks

All genres covered - around 30,000 songs

Confident on the microphone for announcements

Colour coded lights to suit wedding décor

All equipment PAT tested and we also have a public liability insurance

Let us make your wedding party go off with a bang
